User Manual & User Guide **NHSRC**

1. Purpose of the Manual

The User Manual contains all essential information for the users to make full use of the SaQsham Application. This manual includes a description of the system functions and capabilities, contingencies and alternate modes of operation, and systematic procedures for application access and use.

With the help of this User Manual, the “**CU1 Division Users**” will be able to provide their approvals for the application submitted by the various facilities for the assessment. Along with that, the user will also be able to provide the user registration approvals for their state.

2. NHSRC CU1 Division Desk

On SaQsham portal, the role of the DQAU User will be as follows –

- Map the State Nodal users
- Provide approval for user registration for all State Nodal user of the states assigned to the user
- Provide the approval for the application approved by the State Nodal users of the state assigned to the user

The following are the menus available in the CU1 Division Desk –

1. HR Management
2. Services
3. Reports
