

The Glorious Atharabhola PHC

Atharabhola PHC, a very old PHC located at Atharabhola, Killa R.D. Block, Udaipur, Gomati Tripura is renowned for its continuous & dedicated service delivery to the people and improving the health status of the people with various national programme & regular Health Camps, IEC activities & various other activities regularly. The PHC is maintained nicely with landscaping too. Recently in last two years the number of Home Deliveries are also reduced so much & so are the reduction in the number of Malaria & various other communicable diseases, percentage of Full Immunization is also increased a lot. The cleanliness maintenance, proper sanitation & hygiene practices and Infection control measures of the PHC is appreciated regularly by all who visits the PHC. These practices are regularly being improvised & monitored. Bio-Medical Waste Management is also done as per the Bio-Medical Waste Management Guideline 2016 with Deep Burial Pit & Sharp pit too. Recently on 3rd January 2017 Atharabhola PHC is awarded with the **KAYAKALP AWARD** for the best PHC in Gomati District, Tripura.
