Date- 21<sup>st</sup> July, 2022

*Dear Colleagues*

As you are aware, under the Kayakalp initiative, three levels of assessments namely, Internal, Peer and External followed by the finalization of the Awards are required to be completed within a Financial Year.

It has been highlighted that in many states the assessment of the health facilities is carried forward into the next financial year, which defeats the very purpose of this initiative. You are requested to issue the necessary instructions from your end so that all the assessments under Kayakalp are completed by 30<sup>th</sup> November.

The calendar of activities which are to be undertaken by the states under Kayakalp initiative is attached as **Annexure – A**. It is requested that the same may be strictly followed to ensure timely assessment and declaration of results.

*With best wishes*

Yours Sincerely

Encl: As stated.
