

INTERNAL ASSESSORS CUM SERVICE PROVIDERS TRAINING REPROT JHARKHAND 07th to 09th June 2022

Venue: IPH Conference Hall, Ranchi, Jharkhand

Background

A Three days training "Internal Assessors cum Service Providers Training" was conducted in the state of Jharkhand by the National Health System Resource Centre in collaboration with the State's National Health Mission from 7th to 9th June' 2022.

The objective of the training was to train the nominated officials of the State for the implementation of the National Quality Assurance Program, by mentoring the facility quality teams as per the action plan defined by the State. This training will aid participants with the tools, techniques and support to health professionals to enable them to implement NQAS at healthcare facility and thereby, take ownership of improving, sustaining and creating a culture of the quality of care.

The State had nominated 58 participants for the training including State Consultants, Medical officers, District programme managers, Community Health officers etc. The training constituted eighteen (18) topics with five (05) exercises for hands on experience in the application of certain quality tools.

The training was initiated with an inaugural keynote by Dr. Deepawali, Director Maternal Health, Jharkhand discussed about the importance of Quality in Healthcare service delivery and the current status of the NQAS and LaQshya certifications in the State.

A post training evaluation were also taken during the training, post-training evaluation was an open book exam with 42 multiple choice questions, related to the quality improvement and the NQAS framework. Out of total 58 participants, 30 participants (nearly 51.2%) cleared the post evaluation exam and now will be an empanelled internal assessor under the existing pool of NQAS.

QA training programmes have an inbuilt training evaluation system, where feedback form is provided to each participant. Feedback of the participants is analysed on a 5 point likert scale. The overall rating of the training as per the analysis of the feedback from the participants was 4.03 in a 5 point likert scale.
