

INTERNAL ASSESSORS TRAINING FOR THE IMPLEMENTATION OF NATIONAL QUALITY ASSURANCE STANDARDS UNION TERRITORY OF ANDAMAN NICOBAR ISLANDS

DATE: 19th – 20th January 2024 Venue: Training Hall, Ayush Hospital, Port Blair

Two days "NQAS Internal Assessors Training" was conducted by the National Health System Resource Centre in collaboration with the UT's National Health Mission from 19th January to 20th January 2024.

The objective of the training was to train the nominated officials of the UT for the implementation of the National Quality Assurance Standards, by mentoring the facility quality teams as per the action plan defined by the State. The aim of the training was to train the participants on listed topics including NQAS Quality Standards, Measurement system under NQAS, Gap Analysis and prioritization, Process mapping, Quality Tools, Patient Satisfaction Survey, Prescription and Medical Audit, QI Methodology and Quality documentation. Training also provided an overview of different programs under National Quality Assurance Framework including LaQshya and MusQan

Training also aided the participants with the tools, techniques, and support to health professionals to enable them to implement NQAS at healthcare facility and thereby, take ownership of improving, sustaining and creating a culture of the quality of care.

The UT had nominated 50 participants for the training including Medical Officers, Specialists, State Quality Consultants, District Program Managers, Nursing In charges and Community Health Officers etc.

A post-training evaluation was also taken during the training to evaluate the effectiveness of the training. Post-training evaluation was an open book exam with 42 multiple-choice questions, related to the quality improvement activities and the NQAS framework and standards. The participants on successfully clearing the post evaluation program will function as state resource for implementation of NQAS standards in different capacities.

All the participants submitted feedback on the training, which was taken on standardized feedback form and was analyzed on a 5-point Likert- scale. The overall rating of the training as per the analysis of the feedback from the participants was 4.7 in a 5-point Likert scale.

Торіс	
Key concepts & Overview of National Quality Assurance Program Dr Abhay Dahiya	The topic covered key concepts of Quality, importance of Quality in healthcare, Evolution of the National Quality Assurance Standards & their implementation framework, Various initiatives/schemes under the National Quality Assurance Program, rationale and context etc.
Measurement System and Assessment Protocols and Checklist Mr Anand Yadav	It covered the concepts of Measurement system under the National Quality Assurance standards. Description of the 8 Areas of Concern, Standards, Measurable Elements, Checkpoints and Means of Verifications defined under the NQAS. It also included the scoring system with the discussion of the different assessment methods and departmental checklist at various level of the
Area of Concern (A & B) Service Provision and Patient Rights Mr. Anand Yadav	The topic covered an elaborative discussion about the first two areas of concern i.e. Service Provision (A) and Patient Rights (B). It included a brief of the availability of services in a public health facility as per the scope of the hospital and the importance of patient rights while availing the services in a hospital. The session was followed by an exercise to give a hands-on experience to the
Area of Concern (C & D) Inputs and Support Services Dr Abhay Dahiya	It included the inputs required by a facility for the healthcare service delivery, which mainly covers the availability of adequate infrastructure, human resources, their training, competencies and the availability of essential drugs and consumables. Under the support services, detailed discussion on its 12 standards was undertaken which included the maintenance of equipment, calibration, inventory management, dietary services, laundry services, security services, community participation, financial management, contract management, legal & statutory requirement etc. Additionally, the speaker also explained the importance of each of the respective area of concern to the participants, with a brief of

Infection Control & Bio- Medical Waste Management Dr Abhay Dahiya	The session covered a detailed discussion about infection control practices and the standards precautions to be taken into consideration. It
	included the discussion on the latest biomedical rules and the amendments with focus on the implementation and assessment of the infection control practices at public health care facilities. In addition, the key concepts of an Infection Control Audit were also briefed as requested by the participants.
Quality Management	The session covered a detailed discussion about standards related to Quality
Mr Anand Yadav	Management under National Quality Assurance Standards. It includes Quality Teams, SOPs, Internal Quality and External Quality Assurance etc. The trainer also briefed about the process of enrollment with the CMC Vellore for the conduct of External Quality Assurance in the laboratory
Outcome Indicators & Key Performance Indicators	Session included the discussion on the KPIs and Outcome indicators under the NQAS along with their calculation,
Mr. Anand Yadav	reporting and analysis at facility, district & state level.
Area of Concern (E) Special Clinical Services Dr Abhay Dahiya	The session included the importance of quality of clinical services with a discussion on the standards of special Clinical services which covered the aspects of nursing care, drug administration, patient record maintenance and discharge process etc. The trainer also discussed about the specific clinical services like Emergency, ICU/SNCU OT anesthetic services
Internal Assessment & Gap Analysis	The session covered the internal assessment framework and the gap classification methodology, to ensure the execution of a
Mr. Anand Yadav	systematic internal assessment in the respective health facilities, followed by the gap analysis. The topic covered the step wise approach of action planning for gap closure with a focus on prioritizing the key actionable gaps. One of the key topic of ordorlization i.e. PICK chart and

Patient Satisfaction Survey/Overview of Mera- Aspataal Mr. Anand Yadav	Under this session, the participants were acquainted with the idea that a key component for understanding and improving patients' experience is ensuring that what is measured reflects. More emphasis was reflected on the whole idea that it is not about just to collect the PSS on a pre-defined attribute, but after collection of responses, data should be analyzed to identify the lowest attributes and prepare an action plan for the closure of gaps identified followed by an exercise to give a hands-on experience to the participants. during the survey. There could be more than one identified problem, prioritization rule can be applied based on identified attributes and corrective and preventive action can be taken accordingly. Later, a short orientation was done on Mera-Aspataal initiative.
Improving the quality through Audits and Exercises Dr Abhay Dahiya	The speaker covered the different types of the audit (Medical/Clinical/Prescription/Death) envisaged under the framework of NQAS along with the guiding principles and rules for the conduct of the audit. This was followed by the various attributes of a legible prescription with detailed methodology for the conduct of Prescription Audit, which was followed by an exercise (with the real-time hospital prescriptions) to give a hands-on experience to the participants.

•+•

Procedures and Documentation for Certification Dr. Abhay Dahiya	The phases of certification with a detailed discussion on each of the respective step of the entire process were discussed during this session. It also covered the pre-requisites of the National and State Certifications under the NQAS with a brief about the certification criteria, incentives, awards for the NQAS and LaQshya Certifications, respectively. Further to this, the operational issues in the various phases of the certification process were also discussed in detail. The session included the key components of an SOP with the importance of framing an SOP in improving the quality of
Quality Tools Mr Anand Yadav	It covered the basics of an established Quality Management System and the rationale of its implementation in a healthcare institution. The second part of the session covered the seven basic tools of quality with examples. The session was followed by an exercise (with the real-time hospital prescriptions) to give a hands-on experience to the participants. The speaker also presented the current status and the road map of the State for implementation of NQAS followed by the National Certifications of the targeted
PDCA Cycle Mr. Anand Yadav	Dublic Hoolth Focilities The session covered importance of running Plan, Do, Check, Act cycle for improvement and sustenance of progress achieved after the incorporation of intervention/change in the process for achievement of set objectives. Concept was well-illustrated with the help of a real-time example of reducing consultation and registration time at OPD.
Post-Training Evaluation	The Post training Evaluation of participants was undertaken at the end, based on which the qualified candidates shall be empaneled as the Internal Assessors under the NQAS.

The training ended with Vote of Thanks and with a motivation to provide quality of services at all healthcare facilities in UT of Andaman Nicobar Islands

Agenda

NQAS Internal Assessors Training UT of Andaman and Nicobar Islands Friday, 19th January 2024 and Saturday, 20th January 2024

Tentative Agenda

Time	Topic/Activity	Resource Person			
	Day 01				
09.00 AM - 09.20 AM	Registration				
09.20 AM - 09.30 AM	Inaugural & Welcome Address				
09.30 AM - 10.15 AM	Key Concept & Overview of the National Quality Assurance Standards				
10.15 AM - 10.45 AM	Group phot	tograph & Tea			
10.45 AM - 12.00 PM	Measurement system and Assessment Protocols and Checklist
