as of 1st Nov 2023**

States using own system

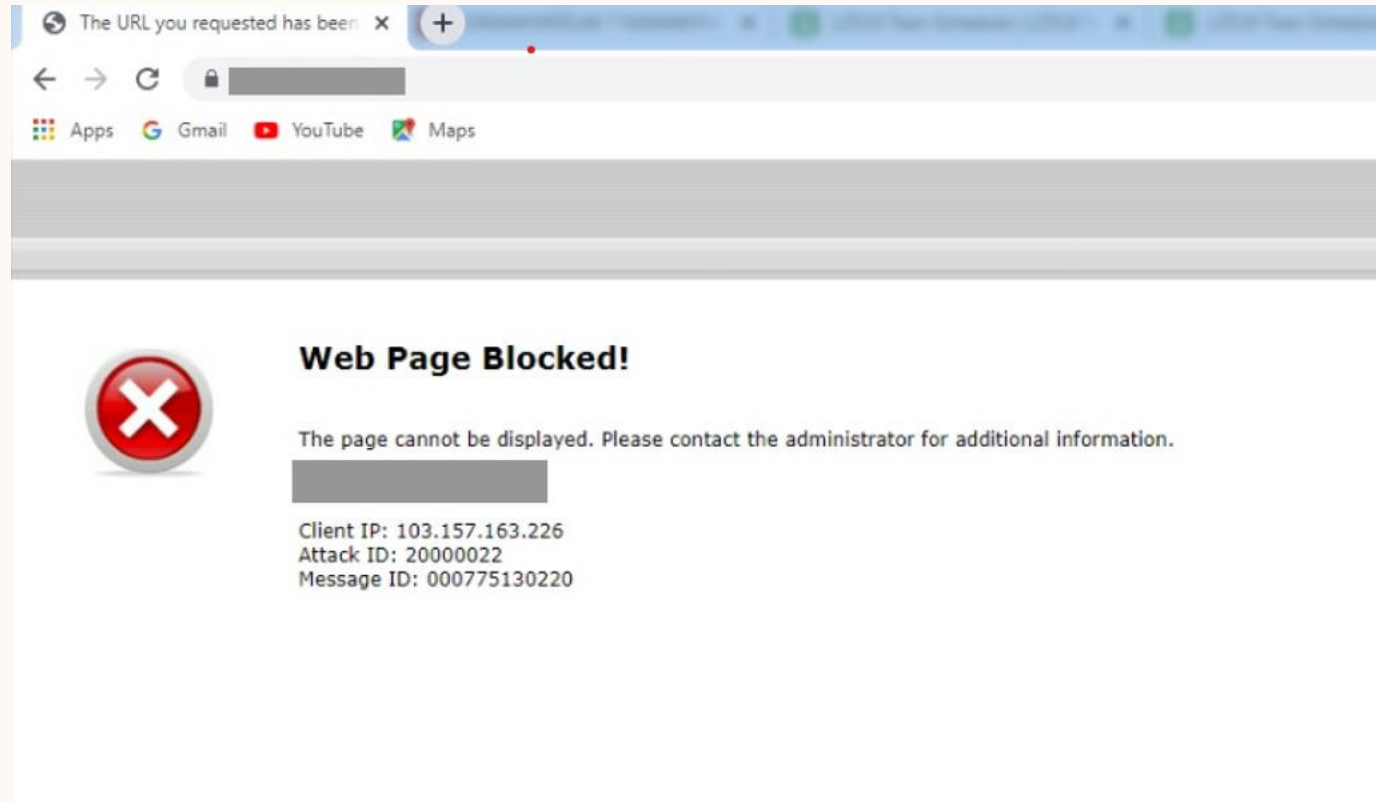

## LGD Code Mapping for NCD villages (CHO/Doctors/Staff Nurse)

## Security Feature - WAF (Web Application Firewall) Implementation

- Already Implemented in Monitoring Mode
- We will proceed with Incremental Implementation in Blocking Mode, with suggestions from **WAF implementation Committee**. During this process:
  - The Support team at NHSRC will be available 24\*7, and details will be shared.
  - The Support team at Nextgen (Technology) will be available 24\*7
  - NHSRC Tech team will perform testing activities.
  - The WAF Implementation team will analyse the daily reports and determine next steps of implementation.

# Security Feature - WAF (Web Application Firewall) Implementation

- If any User encounters an issue, they should share the error screenshot with NHSRC.

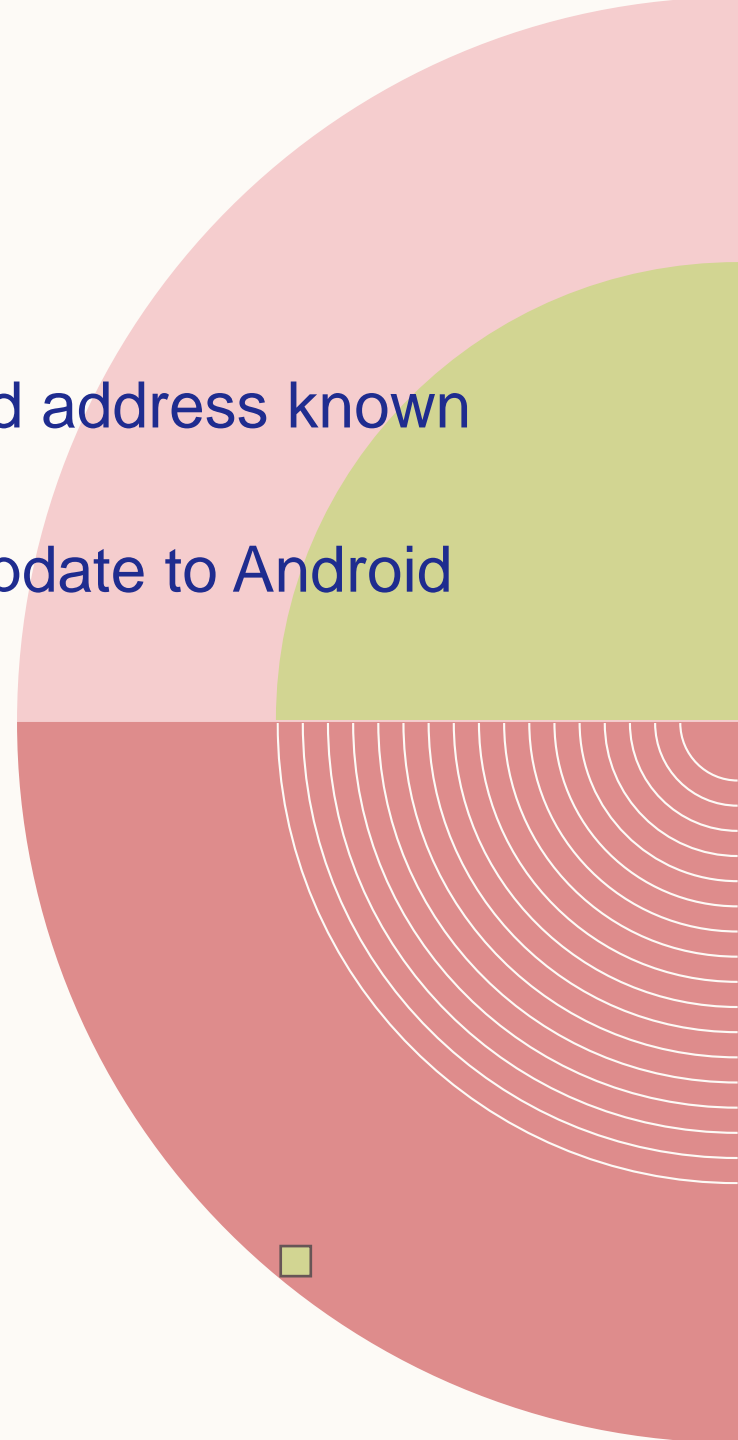

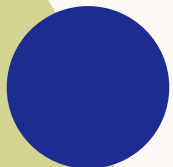

Note – Details will be shared through email.

## Android App Upgrade Activity

- Multiple app versions are used by the Users
- Each new release aims to introduce new features and address known issues.
- We strongly recommend that all Android app users update to Android version 3.2 and above.

Note – Details will be shared through email.
