

Internal Assessors Training Report

4th -5th September 2024

Odisha

Background

A three day training “Internal Assessors Training” was conducted in the State of Odisha by the National Health System Resource Centre in collaboration with the State’s National Health Mission from 4-5th September 2024

The objective of the training was to train the nominated officials of the State for the implementation of the National Quality Assurance Program, by mentoring the facility quality teams as per the action plan defined by the State. This training aids participants with the tools, techniques and support to health professionals to enable them to implement NQAS at healthcare facilities and thereby, take ownership of improving, sustaining and creating a culture of quality of care.

The State had nominated 46 participants for the training including Microbiologists, Pediatricians, Medical Officer, Consultants, Hospital managers, etc. The training constituted ten (10) topics with five (05) exercises for hands-on experience in the application of certain quality tools.

The training was initiated with an inaugural keynote during which the importance of Quality in Healthcare service delivery and the current status of the NQAS certifications in the State was discussed.

A Post-training evaluation were also taken during the training. Post-training evaluation was an open book exam with 42 multiple-choice questions, related to the quality improvement and the NQAS framework. Out of total 46 participants, 29 participants (nearly 63%) cleared the post-evaluation exam and now will be an empanelled internal assessors under the existing pool of NQAS.

QA training programs have an inbuilt training evaluation system, where a feedback form is provided to each participant. Feedback of the participants is analysed on a 5-point likert-scale. The overall rating of the training as per the analysis of the feedbacks from the participants was 4.3 in a 5-point Likert scale.
