D.O. No. Z-18015/27/2022-NHM-II
Dated 21st April, 2025

Subject: Expansion of Quality Certification of Ayushman Arogya Mandir - Sub Health Centres to All 12 Service Packages under NQAS

Dear Mission Director,

National Quality Assurance Standards (NQAS) for Ayushman Arogya Mandir – Sub Health Centres (AAM-SHCs) were introduced in December 2020. According to the National Quality Assurance Standards Assessor's Guidebook, facilities seeking state and national certification were previously required to apply for at least seven (7) mandatory service packages. Since its inception, 90% of AAM-SHCs across 28 States/UTs have been certified under these seven mandatory service packages.

2. In an effort to enhance the availability and scope of services at AAM-SHCs, it has been decided that, effective April 2025, applications for national assessments will be accepted for all twelve (12) service packages. These assessments will be conducted through both physical and virtual modes.

3. You are requested to direct the State Quality Assurance Units to ensure that applications for NQAS certification encompass all twelve (12) service packages available at AAM-SHCs.

Regards,

Yours sincerely,

Jai 21/4/25
