NOTICE

Subject: Advisory for all NQAS Assessors for maintaining decorum in official WhatsApp group

Date: 20th June 2025

This official WhatsApp group has been created by the Certification Unit, NHSRC for sharing regular updates and information related to the NQAS certification process. All assessors are expected to remain active and informed through this group.

Your suggestions and observations are much valued for the NQAS certification process. We encourage you to share the constructive feedback.

Please be informed that content shared by the assessors on this group are also reviewed and are used for taking programmatic decisions.

This information is also regularly shared with the Central Quality Supervisory Committee (CQSC). All assessors are expected to use respectful and professional language in this official WhatsApp group.

Your cooperation is appreciated in upholding the integrity and professionalism of the NQAS assessment process.
