D.O.No.NHSRC/14-15/QI/01/Swachh Health Facilities & Kayakalp
Dated:22nd July, 2024

Respected Sir /Madam,

You may be aware that during the event 'Ayushman Bharat, Gunvat Swasthya' organized by Ministry of Health & Family Welfare, GoI on 28th June 2024 in Vigyan Bhawan, New Delhi the revised Kayakalp guidelines-2024 and NQAS for IPHL were released by the Hon'ble Minister of State, MoHFW, GoI. Many new components based on the revised CPCB guidelines, BMW management rules, Infection control practices and WASH in healthcare facilities have been incorporated in the revised Kayakalp scheme and assessment tool.

Similarly, newly launched National Quality Assurance Standards for District Integrated Public Health Laboratories (IPHL) aim to minimize lab errors, improve treatment efficiency and enhance quality management system in laboratories.

In view of above, the States are advised to plan one day state level ToT in consultation with NHSRC. Orientation on revised Kayakalp guidelines 2024 to the state quality teams will be provided in the first half of the day, and post- lunch training on NQAS for IPHL for designated state officials will be given.

The States may also be advised to conduct the Kayakalp assessment for financial year 2024-25 as per revised Kayakalp guidelines 2024.

With regards.

Yours Sincerely

(Aradhana Patnaik)

To

Additional Chief Secretary/Principal Secretary/Secretary Health All States/UTs
