Date: 23rd November, 2023

Dear Sir/Madam,

As you are aware, that Kayakalp is one of the key components of the Swachh Bharat Abhiyan. It is essential for ensuring maintenance of cleanliness and hygiene as well as prevention of infections in the public healthcare facilities. This helps in providing the patients and visitors a positive experience and induces behavioral changes required for clean environment.

2. The internal and peer assessments are vital steps in the assessment process of Kayakalp program guidelines. Each health facility is expected to undertake the internal assessment on every quarter and peer assessments at least once in a year. An analysis of data based on reports from the States and Union Territories has revealed that internal assessment and peer assessments are yet to be undertaken at the urban health facilities. Details enclosed at (Annexure-A & B)

3. I, would therefore, request you to ensure that internal assessments and peer assessments are undertaken and scores are reported for urban health facilities as per the Kayakalp program guidelines. The State Nodal Officers for Urban Health and Quality may be advised to monitor the implementation of the above at Urban Health facilities (UPHC-HWC/UCHC) regularly. The progress of implementation of activities may please be shared with Dr. Naveen Kumar (Consultant Q & PSD, NHSRC) on email ID: (Naveen.kumar@nhsrindia.org) with a copy to Dr. Sushil Kumar Vimal, Deputy Commissioner (NUHM) on email ID: (sushil.vimal76@nic.in).

With regards,

Yours sincerely,

K.K. Tripathy
(Dr. K. K. Tripathy) 23/11/23

Enclosure: As above
