

Internal Assessors cum Service Provider's Training Report

21st-23rd July 2025

Srinagar

**Quality & Patient Safety Division
National Health System Resource Centre**

Background

A three day training “Internal Assessors cum Service Provider Training” was conducted in the State of Srinagar, Jammu & Kashmir by the National Health System Resource Centre in collaboration with the State’s National Health Mission from 2nd-4th July 2025.

The objective of the training was to train the nominated officials of the State for the implementation of the National Quality Assurance Program, by mentoring the facility quality teams as per the action plan defined by the State. This training aid participants with the tools, techniques and support to health professionals to enable them to implement NQAS at healthcare facilities and thereby, take ownership of improving, sustaining and creating a culture of quality of care.

The State had nominated 131 participants for the training including Medical Superintendents, BMO, Specialists, Medical Quality, Consultants, Hospital managers, Programme Officers, CMO etc. The training constituted fourteen (14) topics with five (07) exercises for hands-on experience in the application of certain quality tools.

The training was initiated with an inaugural keynote by Dr Harjeet, Nodal Officer, J&K during which the importance of Quality in Healthcare service delivery and the current status of the NQAS certifications in the State was discussed.

A Post-training evaluation were also taken during the training. Post-training evaluation was an open book exam with 42 multiple-choice questions, related to the quality improvement and the NQAS framework. Out of total 131 participants, 104 participants cleared the post-evaluation exam and now will be an empanelled internal assessors under the existing pool of NQAS.

QA training programs have an inbuilt training evaluation system, where a feedback form is provided to each participant. Feedback from the participants is analysed on a 5-point likert-scale. The overall rating of the training as per the analysis of the feedback from the participants was 4.3 in a 5-point Likert scale.

**IA cum SPT on
National Quality Assurance Standard
Date: 21st July – 23rd July 2025, Srinagar, Jammu & Kashmir

01:30 PM - 2:00 PM	Valedictory and Feedback	NHSRC & State Team
02:00 PM - 03:00 PM	Lunch Break	

SESSION'S BRIEF

Topic	Brief
Key concepts & Overview of National Quality Assurance Program Dr Vineeta Dhankhar	The topic covered key concepts of Quality, importance of Quality in healthcare, Evolution of the National Quality Assurance Standards & their implementation framework, Various initiatives/schemes under the National Quality Assurance Program, rationale and context etc.
Measurement System and Assessment Protocols and Checklist Dr Vineeta Dhankhar	It covered the concepts of Measurement system under the National Quality Assurance standards. Description of the 8 Areas of Concern, Standards, Measurable Elements, Checkpoints and Means of Verifications defined under the NQAS. It also included the scoring system with the discussion of the different assessment methods and departmental checklist at various level of the health facilities.
Area of Concern (A & B) Service Provision and Patient Rights Dr Jitender Mehta	The topic covered an elaborative discussion about the first two areas of concern i.e. Service Provision (A) and Patient Rights (B). It included a brief of the availability of services in a public health facility as per the scope of the hospital and the importance of patient rights while availing the services in a hospital. The session was followed by an exercise to give a hands-on experience to the participants.
Area of Concern (C & D) Inputs and Support Service Dr Younis Mushtaq	It included the inputs required by a facility for the healthcare service delivery, which mainly covers the availability of adequate infrastructure, human resources, their training, competencies and the availability of essential drugs and consumables. Additionally, the speaker also explained the importance of each of the respective area of concern to the participants, with a brief of their inter-linkage with the other areas of concern under the NQAS. Under the support services, detailed discussion on its 12 standards was undertaken which included the maintenance of equipment, calibration, inventory management, dietary services, laundry services, security services, community participation, financial management, contract management, legal & statutory requirement etc.
Area of Concern (E) General Clinical Services Dr Meenakshi Verma	The speaker briefs the participants regarding the general & specific clinical service standards from E1 to E24. The process from registration to discharge and end of life comes under these standards. It also includes the referral service. Session included the importance of quality of clinical services with a discussion on the standards of special Clinical services which covered the aspects of nursing care, drug administration, patient record maintenance and discharge process etc. The trainer also discussed about the specific

	clinical services like Emergency, ICU/SNCU, OT, anesthetic services, diagnostic services, blood bank and the end-of- life care.
Area of Concern G Quality Management Dr Vineeta Dhankhar	This session includes all the Quality tools and methods. The speaker had a very interactive session with the participants with hands on exercises on the Quality Tools. Brief was given on Audits, Gap analysis, process mapping, PICK chart, SOPs, etc.
Area of Concern F, Infection Control Dr Sayed Gazala Nazki	Session covered a detailed discussion about infection control practices and the standards precautions to be taken into consideration. It included the discussion on the latest biomedicalrules and the amendments with focus on the implementation and assessment of the infectioncontrol practices at public health care facilities. In addition, the key concepts of an Infection Control Audit were also briefed as requested bythe participants.
Documentation and Certification Dr Vineeta Dhankhar	Session included description on the documents required for the national quality assurance standards for different level of facilities, what should be the components of the documents like policy, manual, SOP etc. The session also included the description about the entire NQAS certification process from the facility till national level.
Risk Management and Clinical Governance Dr Vineeta Dhankhar	In this session, various types of risks and their impact were explained. Risk matrix was also explained and how to prevent the risk by pre examining its severity was told to the participants. Risk mitigation was also explained. It was followed by explanation of clinical governance framework at DH level. The members of clinical governance committee, frequency of meeting as well as audits were discussed with hands on exercise on prescription audit during this session.
Area Of Concern H Outcome Indicators Dr Arshad Nazir	Session included the discussion on the KPIs andOutcome indicators under the NQAS along withtheir calculation, reporting and analysis at facility, district & state level.
Kayakalp Revised Scheme and Tool Dr Vineeta Dhankhar	As the Kayakalp Tool and Scheme is revied and launched on 28 th June 2024. Dissemination if the same has been done during this training in state. She has covered the important changes made oin the scheme first which included addition of NUHM and CPHC nodal state level etc. It was followed by the changes in the Kayakalp tool. Changes in the tool and scheme were discussed in detail.

Attendance record of the IA cum SPT training from 19-21 September 2023, Jammu
